

AgI solar battery bundle review

Overview

How does the AGL app work?

The AGL app lets you monitor how much solar you've exported, what you've saved, plus your battery's charge, cycle and count – all in one interactive chart. Get a quote for a solar battery or bundle. We'll help you choose the right solar system for your home. Find answers for solar, batteries and more.

How can AGL help you make the switch to solar?

Find out how AGL can help you make the switch to more efficient, all-electric solutions in your home. The AGL app lets you monitor how much solar you've exported, what you've saved, plus your battery's charge, cycle and count – all in one interactive chart. Get a quote for a solar battery or bundle.

Can I buy a solar system with AGL?

Now, with AGL you have two choices: BYO solar panels and install battery storage with AGL or purchase a full solar PV system with panels, inverter, and battery. Moving house and interested in solar with AGL?

Contact AGL by calling 1300 447 465 AGL has two solar packages available to purchase.

Does AGL offer a full solar PV system bundle?

If you're interested in purchasing a full solar PV system bundle with AGL, you'll also have access to AGL's Virtual Power Plant (VPP). If you choose to sign up for AGL's VPP for five years, you'll get \$1,000 off the upfront cost of your bundle.

Can I buy solar battery storage through AGL?

If you purchase battery storage through AGL, you'll have the opportunity to join AGL's Virtual Power Plant. By joining AGL's VPP for five years, you'll receive \$1,000 off the outright cost of your solar battery storage.

What's the difference between AGL solar panels and SolarEdge Solar panels?

AGL has two solar packages available to purchase. The only real difference between AGL solar packages is if you want a Tesla Powerwall battery, or LG Chem RESU battery with SolarEdge StorEdge Inverter. With AGL solar panel packages you can opt to pay upfront, or choose to pay in equal instalments over 60 months (plus interest).
