Ever tossed and turned during a blackout, wishing your bed could moonlight as a giant phone charger?

Meet the revolutionary small bed that can store electricity - the furniture world's answer to both sleep comfort and energy anxiety.

Check each product page for other buying options. Price and other details may vary based on product size and color.

Maximize Bedroom Storage - 2 large drawers are designed at the end of the bed frame to provide ideal storage space for extra sheets, and off-season clothes, among other items. The drawers are fitted with rolling wheels that can be easily pushed in and pulled out. With 11.2" of clearance space under.

A bed with storage underneath will typically utilize drawers or extra high bed clearance for you to put your own bins and storage containers under. You can use this storage space for anything you may need, including linens, out of season clothing or recreational items like ice skates, extra shoes.
