

Belize energy storage station project bidding information

Overview

The Belize Electricity Limited (BEL) is inviting suitably qualified companies, not limited to the country of Belize, to submit Expressions of Interest for the supply of 20MW/80MWh of Battery Energy Storage Systems (BESS) for the National Electricity Grid of Belize to support the integration of more renewable energy sources into the energy supply mix and to help satisfy public demand for electricity services within the country over the next fifteen (15) years.
