Is there a way to install Sektion high cabinets so they can be freestanding?

I want three 24"x15"x80" cabinets that have slide out shelves like the picture. I know Pax is an option, but the Sektion measurements work perfectly for my space and I prefer the Maximera drawers. If Sektion cannot be.

IKEA's large cabinets collection aims to meet the needs of all budgets, spaces and styles. Marvelous multitaskers, our cupboards add beauty and practical storage to your home, giving you the needed space to hide some items away while keeping others on display.

How do I choose the best IKEA cabinets?

Look for IKEA cabinets with adjustable feet, which can help level individual units. You can also build a base or platform to create a level foundation and hide any gaps at the bottom. If you're working directly on the floor, use shims during installation to keep your cabinets flush and stable before anchoring the units to the wall.

Does IKEA offer office storage?

Whether the key priority for your office is one or all of the above, IKEA offers a wide range of functional and affordable storage solutions. Find the one that matches your interior as well as helps organise your workplace. Everyone's storage needs are different. This can be especially true when your home doubles as a place of work.

Are IKEA bookshelves a good starting point for built-in storage?

Fortunately, some savvy DIYers are changing that narrative by using IKEA bookshelves, drawers, and cabinets as an economical starting point for customizable, floor-to-ceiling built-in storage. It's a somewhat time-consuming transformation, but the result is well worth the work.

Which IKEA shelving should I Choose?

The most popular IKEA shelving option is the BILLY bookcase, which comes in multiple veneers, including Birch, Walnut, Oak, Dark Brown Oak, Black Oak, and White. If you plan to paint your built-in storage, choose a finish that will serve as a suitable base for the final color.
