

Casio solar powered watch battery

Overview

Casio solar watches are powered by light, so they don't require a battery. However, the battery may need to be replaced if the watch is not exposed to enough light or if the battery is damaged. If your Casio solar watch needs a new battery, take it to an authorized Casio.

Casio solar watches are powered by light, so they don't require a battery. However, the battery may need to be replaced if the watch is not exposed to enough light or if the battery is damaged. If your Casio solar watch needs a new battery, take it to an authorized Casio.
