

# **Customized square energy storage water tank**

## Overview

---

Can tank-Mart build a custom storage tank?

Tank-Mart can build, manufacture and even design your custom storage tank. Give us a call toll-free and we can take you through the whole process from start to finish.

Does tank-Mart offer a septic tank?

Tank-Mart has experts with years of knowledge on AutoCad and similar design programs. Our custom storage tanks can fit any capacity and any purpose. Whether you want a water holding tank, a low profile holding tank, or a certain type of septic tank, our engineers can help!.

What materials does tank-Mart use?

When we fabricate tanks, we can work with a wide range of materials, such as high-density polyethylene (HDPE), polyvinyl chloride (PVC), aluminum, stainless steel, and more. Want to learn more about the materials we use or the design process?

Call us at 800-211-7998 or email [info@tank-mart.com](mailto:info@tank-mart.com) to get started on your custom project.
