

Deka solar photovoltaic batteries 8gui

Overview

What is a Deka solar battery?

The Deka Solar series of valve-regulated, gelled-electrolyte batteries is designed to offer reliable, maintenance-free power for renewable energy applications where frequent deep cycles are required and minimum maintenance is desirable. Plate alloy . . Lead calcium Container/cover. Polypropylene Electrolyte . . .

Is the Deka 8gu1 a good battery?

If you're in the market for a reliable, high-quality gel cell battery, the Deka 8GU1 is the way to go. Get yours today! Valve regulated design with sealed construction eliminates periodic watering, corrosive acid fumes and spills. Gelled electrolyte will not stratify, no equalization charging required.

Why should you choose Deka solar batteries?

Deka Solar batteries are engineered and tested to provide reliable back-up power for Photovoltaic (PV) and renewable energy applications. Our steadfast commitment to quality and environmental standards has helped us achieve globally recognized certifications.

What makes Mk / Deka solar batteries different?

Advanced American Technology and the use of the most modern computer-aided design and manufacturing techniques combine to make MK / Deka Solar batteries the standard by which all other solar batteries are measured. Our Solar VRLA Sealed Batteries are the best the PV / Solar Battery market has to offer.

Are Deka gel batteries rated non-spillable?

Rated non-spillable by ICAO, IATA and DOT allows transportation by air safe and easy, no special containers needed. Advanced Made in America technology with the most modern computer-aided design and manufacturing

techniques combine to make Deka's Sealed Gel Batteries the standard by which all other batteries are measured.

Are Deka solar gel & AGM batteries the same?

Both Deka Solar Gel & AGM batteries are built to the same rigorous standards. Contact us toll-free: (877) 297-0014 for wholesale prices and complete systems using these batteries. OEM, Distributor, System Integrator, Government, VAR, Dealer, Contractor, MWBE, International, and Reseller discounts available.
