Our simple and intuitive online search system.

Libya's Mega 2025 Bid Round 2025: 22 Blocks, 235,000 km<sup>2</sup>. After finally launching a long-awaited oil and gas bid round, Libya's NOC has laid out the details of the 22 concessions on offer, hoping the 'promising' onshore and offshore acreages will renew international interest in the country's.

Marking Libya's re-entry to the global energy stage, the country's 2025 licensing round - launched in March 2025 - has already drawn interest from over 40 prospective bidders. Featuring 22 on- and offshore blocks for licensing as well as a new contractual framework, the round is expected to entice.

The tender, which is set to conclude with contract signings by the end of 2025, marks a return to competitive bidding last seen in 2007. The competition comes as Libya which holds Africa's largest proven crude reserves seeks to rebuild its energy infrastructure and stabilize production following.

Libya is stepping back into the spotlight with its first oil and gas exploration tender in nearly two decades, signaling an ambitious push to reenergize its

energy sector. The newly announced initiative offers shared production agreements (SPAs) across 22 exploration and development blocks—11.
