

Enterprise ESS system supplier quotation in Poland 2025

Overview

Will PGE supply ESS batteries in Poland?

SEOUL, March 25, 2025 - LG Energy Solution announced today that it has signed an agreement with PGE, Poland's largest energy sector company, to supply 981MWh of grid-scale ESS batteries between 2026 and 2027. Both companies will collaborate to establish a battery energy storage facility in Żarnowiec, Poland.

When will PGE start supplying ESS batteries?

State-owned energy firm PGE plans to start the project's commercial operation in 2027. South Korean battery maker LG Energy Solution (LGES) has signed an agreement with PGE, Poland's largest energy sector company, to supply 981MWh of grid-scale Energy Storage Systems (ESS) batteries between 2026 and 2027.

What does LG Energy Solution do at EES Europe 2025?

LG Energy Solution showcases ESS leadership at EES Europe 2025 in Munich. Image by LG Energy Solution. The company announced during the Intersolar fair in Munich last week that it is establishing production lines dedicated to ESS that will start operation soon.

What does ESS stand for?

The Polish unit of Korean battery major LG Energy Solution will start production of energy storage systems (ESS) at its plant in the western city of Wrocław by the end of the year. LG Energy Solution showcases ESS leadership at EES Europe 2025 in Munich. Image by LG Energy Solution.

How much is LG Energy Solution's ESS contract worth?

The contract is worth several trillion Korean won and marks the company's first supply of Europe-manufactured LFP batteries dedicated to ESS applications. To ensure maximum efficiency of the ESS system, LG Energy

Solution is offering a turnkey solution, developed in partnership with European collaborators.

Why do we need ESS solutions?

This strategy also seeks to enhance market presence, unlock new business opportunities, and highlight the quality and competitiveness of locally produced products. Meanwhile, as energy security concerns continue to rise across Europe, demand for renewable energy infrastructure and ESS solutions is growing rapidly.
