

Government procurement price of modular ESS container in Vietnam

Overview

What are the official sources for Vietnam government procurement?

The official sources for Vietnam government procurement are the National Public Procurement Portal (NPPP) and the Government Procurement Information System (GPIS). The NPPP is a centralized online platform where all government procurement notices are published. The GPIS is a database of all government procurement contracts.

What are the laws governing government procurement in Vietnam?

The main law governing government procurement in Vietnam is the Law on Public Procurement No. 43/2013/QH13. This law is supplemented by a number of decrees and regulations, including Decree No. 63/2014/ND-CP and Circular No. 26/2014/TT-BKHCHN. How big is the Vietnam tender market?

.

What challenges will Viet Nam face in implementing new government procurement rules?

As this is the first time Viet Nam has opened up its government procurement market and accepted new rules on coverage, procurement principles, and so on, the implementation phase will be likely faced with challenges, given the insufficient knowledge and capabilities of contracting officers and suppliers, and underprepared technology infrastructure.
