

Hme sol pack solar battery pack

Overview

This HME Sol-Pak is a solar battery pack that is designed as a sustainable solution for all trail cameras especially wireless/cellular cameras. Nothing is more frustrating than going to check your game camera in your favorite spot, only to arrive and see that it.

This HME Sol-Pak is a solar battery pack that is designed as a sustainable solution for all trail cameras especially wireless/cellular cameras. Nothing is more frustrating than going to check your game camera in your favorite spot, only to arrive and see that it.

This HME Sol-Pak is a solar battery pack that is designed as a sustainable solution for all trail cameras especially wireless/cellular cameras. Nothing is more frustrating than going to check your game camera in your favorite spot, only to arrive and see that it has dead batteries. Or having to.

Available with 1,000mAh, 3,000mAh and 5,000mAh lithium-ion batteries, these amorphous solar panels rely on renewable energy, not boxes of traditional batteries that cost a fortune and fizzle out at the most inopportune times. HME Blend 2 Pounds High Efficiency USB 5,000 MAH SOLAR POWER PANEL 12.

Available with 5000mAh 12V output, these amorphous solar panels rely on renewable energy, not boxes of traditional batteries that cost a fortune and fizzle out at the most inopportune times. The adjustable T-Swivel brackets can be positioned to blend seamlessly into their surroundings, while also.

Extend your trail cameras field life with HMEs 12V Battery pack with Solar Panel. This rugged weatherproof battery box contains a sealed 12V lead acid battery - ideal for extreme temperatures, and pre-attached solar panel for continual charging. Extend your trail cameras field life with HMEs 12V.

Extend the battery life of any Muddy trail cam with this sustainable charging solution. SOL-PAK features a 12V amorphous solar panel that works in low light conditions, weather-resistant construction, and a long-lasting 3,000 or 5,000 mAh lithium-ion battery. Mounts easily via durable nylon strap.

A brand-new, unused, unopened, undamaged item in its original packaging (where packaging is applicable). Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag.
