

Huijue integrated energy storage business

Overview

Huijue provides high-performance site energy storage solutions, including BESS (Battery Energy Storage Systems) for industrial, commercial, and grid-scale applications. Reliable, scalable, and sustainable power storage for renewables integration.

Huijue provides high-performance site energy storage solutions, including BESS (Battery Energy Storage Systems) for industrial, commercial, and grid-scale applications. Reliable, scalable, and sustainable power storage for renewables integration.

Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application. Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and.

Shanghai Huijue Technologies Group Co., Ltd (Huijue Group) was founded in 2002, is in the field of energy storage system in the leading technology innovation company, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products.
