

Industrial battery cabinet project financing options in Philippines 2025

Overview

The Bank of the Philippine Islands (BPI) and China Banking Corp. (Chinabank) are set to finance the 16-megawatt (MW) Magat BESS Phase 2 while BPI and BDO will provide financing for the 40-MW Binga BESS. Why did Aboitiz get financing for a battery energy storage system?

Aboitiz Power Corp. subsidiary SN Aboitiz Power Group (SNAP) has secured financing from major banks for the expansion of its battery energy storage system (BESS) projects. The financing will fuel the development of two large-scale BESS facilities, set to enhance grid reliability and support the country's renewable energy (RE) ambitions.

Does Aboitiz Power have a battery energy storage system?

MANILA -- Aboitiz Power on Tuesday said its SN Aboitiz Power Group (SNAP) has gotten funding to expand its battery energy storage systems (BESS) in three Magat and Binga hydroelectric plants. A battery energy storage system uses batteries to store energy from a power grid and releases it when needed to increase electricity supply.

Will BPI & Chinabank fund Magat Bess Phase 2?

At a ceremonial signing on February 17, 2025, BPI and Chinabank formalized their commitment to fund the Magat BESS Phase 2, while BPI and BDO agreed to finance the Binga BESS project.
