Where can I get free shipping on solar batteries?

Get free shipping on qualified Solar Batteries products or Buy Online Pick Up in Store today in the Electrical Department.

What is solar power & battery backup?

Capture the rays of the sun with solar panels and store that energy with battery backup. Solar power and battery backup protect you from surge pricing during peak-demand times or as a backup when the power goes out. Prices are rising every day, and electricity continues to be in high demand.

Why do I need a battery backup for my solar panels?

Energy storage, or battery backup, offers you peace of mind knowing that your home will have power when there's an outage. It's also a great way to offset energy costs during periods of surge pricing. How do I maintain my solar panels?

.
