

Rongyu group energy storage

Overview

The company was a producer of energy meters, permanent magnetic AC contactor, moulded case circuit breaker (MCCB), miniature circuit breaker (MCB) and high voltage vacuum breaker. However, the company was under reconstruction since 2015, seeking new area of investment. In September 2015 the.

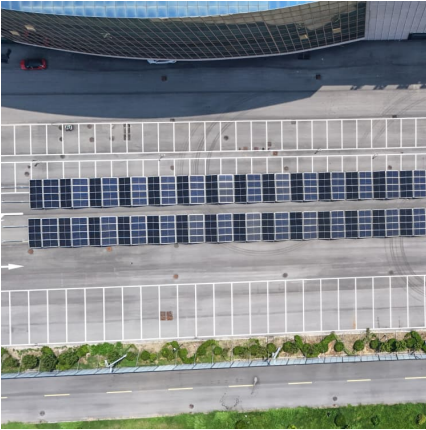

Rongyu Group Co., Ltd. is a Chinese listed company based in , Jilin Province. As of 8 November 2016, the company was a constituent of SZSE 1000 Index (as well as sub-index SZSE 700 Index) but not in .

In 2015 the largest shareholder of the company, former chairman Lu Yongxiang (: 卢永祥), sold his 23.81% stake to a private equity fund (

Our innovative vanadium flow batteries (VFBs) are designed to provide reliable, long-lasting energy storage for a greener tomorrow. Accelerating global progress towards net-zero targets with advanced vanadium flow battery (VFB) energy storage solutions. Water-based electrolyte, no thermal runaway
