## Overview

---

Where can I get free shipping on solar batteries?

Get free shipping on qualified Solar Batteries products or Buy Online Pick Up in Store today in the Electrical Department.

What kind of batteries do you need for solar power storage?

Batteries for solar power storage solutions with AGM, GEL, Flooded and Lithium-Ion technology materials. Solar Batteries for off-grid and hybrid systems.

What is a solar panel battery?

Solar Panel Batteries are links between the solar panels and the sources of electricity consumption that provide your house with constant electric power 24 hours a day. Since the batteries stabilize the voltage that flows into the grid, they are used to store the excess solar energy and to protect appliances from electrical disturbances.
