

Smart energy storage circuit breaker recycling price list

Overview

See today's Circuit Breakers scrap price as of September 10, 2025. Check the latest rates, market trends, and 30-day price history. Find local scrap yards paying top dollar. Where can I get the best circuit breakers scrap prices?

The iScrap App can help you get the best Circuit Breakers Scrap Prices if you have a large load of circuit breakers or other metals from a large project. Use the app to schedule a pick up with your local scrap metal yard.

What is a circuit breaker scrap?

Circuit Breakers are a common material that electricians will come across while working. They have copper and other material like aluminum and steel inside. They can vary from different scrap prices and at Rockaway Recycling it really depends on the type and condition of the circuit breaker when we are buying them for scrap.

Do scrap yards buy circuit breakers?

Scrap yards buy circuit breakers as low bearing copper material. They contain a small amount of copper on the inside of their plastic casing which makes them valuable. Many electricians and contractors come across circuit breakers when they are doing wire-work for homes or businesses.

Are circuit breakers worth money?

Circuit breakers have a small amount of copper on the inside of their plastic casing, which makes them worth money. Electricians and contractors may come across circuit breakers during wire-work for homes or businesses. Are circuit breakers valuable due to their copper content?

.

Can I bring my circuit breakers to our facility?

You can bring you circuit breakers to our facility during our operating hours. If

you have a larger quantity of circuit breakers and other scrap metal that you can't transport to our facility, be sure to contact us about our pick up services in the area. We can provide containers and equipment for your scrap metal pickup.

Can I Sell my surplus electrical equipment to Resa power?

By selling your surplus electrical equipment to RESA Power, you're freeing up space and capitalizing on an opportunity to turn idle assets into cash. Contact our Buyers at SellToUs@resapower.com or 888-304-7349 to learn more about how RESA Power can help you stop sitting on cash. *Call or email our purchasing department before sending any items.
