

Sol battery widget warframe

Overview

One upgrade, the Sol-Battery Widget, automatically regenerates the number of his scanners, allowing users to use them as much as they want without having to buy more charges frequently. The Sol-Battery Widget can be obtained from Cephalon Simaris, who can be found in relays.

Sol battery widget warframe

Synthesis Scanner Upgrades

For that matter, you can sell off all but one of the synthesis scanner once you have the sol-battery widget. And yes, Helios and Helios Prime both work with all synthesis scanner upgrades.

Question about scanner on helios

There are four Widgets available for Synthesis Scanners and are all bought from Cephalon Simaris. The Data-Parse Widget costs Reputation 25,000, while the rest cost Reputation 50,000.
