

# Solar battery hastings

## Overview

---

Who is Hastings solar & electrical?

Hastings Solar & Electrical is your strategic solution, empowering your business to tackle these challenges head-on. North haven Bowling Club local project was 200KW taking over 8 weeks while working in with the roof restoration project. This is one of our many local projects and that we believe to be some of our best works. System Size: 200kW.

Why should you choose Hastings solar & electrical?

Running an industrial or commercial operation comes with its challenges, from maintaining operational efficiency to managing energy costs and addressing sustainability concerns. Hastings Solar & Electrical is your strategic solution, empowering your business to tackle these challenges head-on.

Why should you buy solar batteries?

Solar batteries allow you to store your excess solar energy and use it when you need it in the evening, instead of sending it to the grid. - READ MORE -  
Now is the time to buy EV chargers!
