

# **Successful bid price of Solar Inverter project in South Africa 2030**

## Overview

---

How much does a solar PV project cost in South Africa?

The projects were procured under BW5 of the REIPPPP, which was officially launched in April 2021. The weighted average price across wind and solar photovoltaic (PV) projects was 47.3c/kWh, the lowest yet to be achieved in South Africa. The solar PV projects had a weighted average price of 42.9c/kWh, while that of the wind projects was 49.5c/kWh.

How many solar PV preferred bidders are there in South Africa?

The eight (8) Solar PV Preferred Bidders have committed to creating a total of 6 971 job opportunities for South African citizens (measured in job years) during both the construction and operational phases of the contracts.

Is South Africa a good place to invest in solar energy?

South Africa has abundant solar resources, making it a prime location for the development of solar energy projects. The country has set a target of generating 18 GW of renewable energy by 2030, with solar energy expected to make up a significant portion of this target.

How many solar and wind projects are in South Africa?

Even though names have not been revealed, the department has revealed the bids cover four solar and four wind projects. Earlier this year, the South African government unveiled plans to deploy at least 3 GW of new renewables annually. This increases the renewables to 5 GW by 2030.

Where can I find South Africa solar tenders?

TendersOnTime, the best online tenders portal, provides latest South Africa Solar tenders, RFP, Bids and eprocurement notices from various states and counties in South Africa.

What solar projects does Scatec Solar Africa offer?

It has also been selected for the 200 MW Florida Solar Park with a set price of ZAR 506.89/MWh and the 210 MW Virginia 4 Solar Park at a price of ZAR 504.87/MWh. Scatec Solar Africa Pty Ltd is the preferred bidder for the other three projects. These solar projects include the 240 MW Oslaagte Solar 2 and 240 MW Oslaagte Solar 3.
