

# **Successful bid price of office building energy storage project in Luxembourg 2030**

## Overview

---

The winning bid?

€50,000 from a crypto collector who now owns “the Mona Lisa of electrons.” You can’t make this stuff up. Here’s where Luxembourg gets sneaky-smart. Their closed-loop battery ecosystem recycles 92% of materials—enough to make 3,000 e-bike batteries from one retired grid system.
