Is solar battery group a good company?

From the start Solar Battery Group has been extremely helpful to assist in my purchase of solar batteries. Staff from the company to the installers have been professional and good. I would recommend Solar battery Group with no hesitation for purchasing solar batteries. Show details.

Are you happy with solar battery group?

I am very pleased with the outcome off the installation battery – I am completely happy with (Solar Battery Group) you were on time, easily, quietly, and quick, within no time and after I signed them off they left. No mess the workers left as quickly as they came. Good Job well done. Thank you. Installation was so smooth .

Does solar battery group offer a 'national battery rebate'?

Solar Battery Group approached me (leaflet in the mail) with a solar battery cost breakdown with the 'National Battery Rebate' included in costing. Solar Battery Group confirmed verbally that I could start saving immediately upon installation to offset payments and at such time rebate came in, term of loan would reduce proportionally i.e. 36.

Do you recommend solar battery group?

Battery arrived within the time stated. Friendly and knowledgeable installation team arrived on the same day and fitted battery without a hitch. Would definitely recommend. We had so many sales companies calling us trying to sell us an overpriced battery, I was on the verge of giving up when we found Solar Battery Group on Google.
