

Utility scale ESS tender price in Croatia 2026

Overview

Who can compete in public procurement procedures in Croatia?

Therefore, all bidders who fulfil the conditions prescribed by the procurement documentation can compete in public procurement procedures in Croatia. The procurement documentation prescribes the criteria for the qualitative selection criteria for economic operator and the criteria for the selection of the bid.

Where can I find public procurement tenders?

By daily monitoring over 18,000 pages, including the official public procurement gazette (EOJN) and the TED portal, we are offering the largest and most comprehensive database of tenders in the country. Only 5% of the collected tenders can be found on TED:.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.
