

# Xinyi mauritania energy storage

## Overview

---

Who is Xinyi electric storage Holdings Limited?

Xinyi Electric Storage Holdings Limited is one of the four listed companies of Xinyi Group, the stock code is 08328.HK. The company follows the national strategic policy of advocating the improvement of energy structure, and is committed to the development of new energy business.

Why should Mauritania invest in a battery energy storage facility?

The project will finance Mauritania's first large-scale battery energy storage facility, enabling the country to harness its abundant solar and wind resources for more reliable electricity. This investment is critical to the success of Mauritania's Mission 300 Energy Compact, which aims to achieve universal access to electricity by 2030.

What is the production capacity of Xinyi power (Suzhou)?

Its subsidiaries "Xinyi Power (Suzhou)" has the production capacity of 2.3 billion Wh lithium battery cells and battery systems, and the production line can simultaneously produce pouch cells and prismatic LFP Cells with different specifications.

Will Mauritania become a leader in green energy?

"This project will position Mauritania as a leader in critical minerals, green hydrogen and energy storage, —driving job creation and expanding economic opportunities for all Mauritians," said Demetrios Papathanasiou, Global Director for Energy & Extractives at the World Bank.

Why did Xinyi Solar donate a batch of epidemic prevention materials?

On April 21, 2022, the executive Director and CEO Li Youzhi of Xinyi Solar donated a batch of epidemic prevention materials on behalf of Xinyi Group to Wuhu City's frontline epidemic prevention personnel, helping the public security police, medical staff, community workers and volunteers on the

frontline of epidemic prevention.
