

Zhengxing energy storage

Overview

Who is zh energy storage technology?

Shenzhen ZH Energy Storage Technology Co., Ltd. was established in 2021 and is a global leading developer and manufacturer of flow battery key materials and equipment.

What is the scope of energy storage in the PRC?

“https://www.gov.cn/jingji/2023/01/03/content_1891111.htm,” People’s Government of the PRC, 3 Jan 2023, at [https://](https://www.gov.cn/jingji/2023/01/03/content_1891111.htm) The scope includes two categories: dispatch-controlled new type energy storage and self-used new type energy storage by power stations.

What is the 14th five-year plan for energy storage?

The “14th Five-Year Plan” has specified development goals for energy storage also on the provincial level. During the “14th FYP” period, 25 provinces and cities plan to complete 77.65 GW new type storage installation. That scale is more than twice the “14th FYP” target (30 GW) set by the NEA.
